Stay Connected

Greetings!

Since mid-March, when the coronavirus shut down our Church, my job changed quite a bit from the norm I knew.

Without a Sunday service, we had no collections to process, so the counters who would meet every Monday have stayed home - minimizing personal interactions is a major weapon in fighting this disease. Christina, our Parish Administrator, was also asked to work from home for the first six weeks or so - there really was no need to risk having her come to the office when the building was locked down.

So for that time frame, I would check the mail daily and once a week, gather the checks and pledges and deposit them in the bank. Lisa, our Bookkeeper, continued coming in on Wednesdays, and the finances went on.

In early April, we applied for the Payroll Protection Program loans, and received one for **\$55,000** in early May. This represents 2 months payroll, so we fully expect that it will qualify for forgiveness when we file.

In May, the Finance Committee recommended a revised budget which the Vestry passed in June, reflecting both reduced income and expenses. The basis for that is as follows:

* Income highlights

- o **Minus** \$20,000 in loose plate
- o **Minus** \$2,700 Designated gifts and Music memorials from (Flower Easter)
- o **Minus** \$15,000 Dante fund (he left 2 months earlier than we budgeted)
- o **Minus** \$30,000 Current Year Pledge
- o **Minus** \$9,000 in fundraising (no yard sale or memorial bricks)
- o **Minus** \$5,800 for the new assistant starting 1 month later than originally budgeted

- o **Minus** \$12,500 in rental income
- o **Added** \$20,000 in DIT income (recommendation from the Diocese that we use all the DIT income this year for operations)
- o **Added** \$55,000 from the PPP loan
- o Net result is total income reduced by **\$20,947** for the rest of the year

* Expenses

- o **Minus** \$18,229 (the 3 months of no assistant onboard)
- o **Minus** \$11,500 in Facilities (\$8,000 in utilities, the rest spread out)
- o **Minus** \$1,950 - small adjustments to most programs and an addition of \$4,500 to digital evangelism for the online worshipping costs
- o Net result is expenses lowered by **\$34,179**

* Bottom line shows a shortfall of **\$18,052**

From day one of these extraordinary times, you, the parishioners of St. Luke's, have continued to show your support and love for our community. The pledge checks have continued to come in, often accompanied by supportive notes and words of thankfulness. I know I speak for the entire leadership team when I say that your commitment, faithfulness and optimism are extremely appreciated! It makes all the work we do worth all the effort!

Thank you,
Michael Sullivan

St. Luke's Usher Ministry

Help Wanted - Saint Luke's Usher Ministry

Dear friend, when you extend hospitality to Christian brothers and sisters, even when they are strangers, you make the faith visible. ... It is good work you're doing, helping these travelers on their way, hospitality worthy of God himself! (3 John, vs 5-6)

As the reopening of St. Luke's on August 2 approaches, we are busy at work making plans to accommodate the guidance and recommendation provided by the State and Diocese of RI. Now more than ever the Usher Ministry will play a key role in creating a welcoming, reverent, and safe environment for worship. While the changes being considered will reduce the movement during the service, they bring additional responsibility in seating, collecting contact information and managing the flow of congregants when entering and exiting the service.

Additional ushers are needed to cover the increased responsibilities. We are planning an orientation session for ushers the week before resuming services. If you are available to serve and interested in joining the Usher Ministry, please contact the office or email me at

smcloughlin2@aol.com so that you can be included.

Tea Time Theology: Diocese of RI Podcast

The Diocese of Rhode Island has created a new podcast called **Tea Time Theology**. Below is a note from one of the people involved in this project announcing it to the Diocese. As with much in our Diocesan life, St. Luke's has been involved with this new effort. The audio and recording work has been done by Taylor Wilkey, and our Associate Rector was interviewed for an episode to air in June. Be sure to tune in and listen to voices from around our Diocese.

Hello Rhode Island Episcopalians!

Do you have questions about faith, church, and spirituality? So do we! Tea Time Theology is the new podcast sponsored by the Episcopal Diocese of Rhode Island, whose goal is to create space to have real and meaningful conversations about faith.

Our first episode will be dropping on April 14th . Please follow our social medias! We are @teatimetheology on Twitter, Instagram, and Facebook. You will be able to listen on: Stitcher, Google Podcast, and The Apple Podcast App.

Thanks,
Ivy

Mask Making and Free Masks and Gloves

If you are looking for something hands-on to do to help out during this time of COVID-19, here is a project that might be right for you. There is an increasing demand for face masks in our communities: both masks for medical professions and masks for every day use in the wider community. While we cannot make the N95 masks for medical professions, there are a lot of resources out there for making everyday masks. If you are a person who knows how to sew (sewer/sewist/master of the sewing needle) please consider joining the efforts of people around the country to make home-sewn masks. **[The Mask Now Coalition](#)** is one such organization sharing information and patterns for masks.

HOME DELIVERY OF FREE FACE MASKS AND SANITARY GLOVES

I will be glad to deliver free surplus blue face masks and white latex gloves to the homes of people who need them and will use them appropriately.

Please contact Timothy Barcott. 401-397-6700. Weekday evenings.

Creating Connections

As we seek ways to connect while we are physically apart we want to hear how you are doing! We invite you to share with us the ways you are finding joy, gratitude, and God in the midst of our physical separation. Take a short video, snap a photo, record yourself singing a song, write a reflection or poem, share a favorite prayer! Be creative! Please send your pictures, videos, and other reflections to us at **connections@stlukeseg.org**. As we receive these stories and reflection we are going to share them on our parish Facebook and Instagram accounts, as well as here in the St. Luke's Weekly. We are making joy, and grace, and gratitude, and God's love contagious!

Virtual Church

In addition to joining St. Luke's for virtual worship, we want to share with you other resources for being created around the Diocese and wider Episcopal Church.

The [Washington National Cathedral](#) is streaming Morning and Evening Prayer in addition to Sunday morning Eucharist. For those of you interested in finding worship that is of a high church expression [St. Thomas Church](#) on Fifth Avenue in New York is broad casting their Sunday morning worship. You also cannot go wrong tuning in to [St. Bart's](#) or [Trinity Wall Street](#).

There are also great opportunities closer to home. Many of the parishes of our Diocese are streaming different forms of worship. Try out saying morning prayer and evening prayer with [St. Paul's Pawtucket](#), or Compline with [ECC](#), or Stations of the Cross with [The Church of the Redeemer](#), Providence, or check out Virtual Emmanuel Church with the folks of [Emmanuel Cumberland](#). The Diocese is working on keeping a list of all the different options our parishes are providing. You can find that [here](#).

Here are some other resources to help you continue your life of prayer.

[Podcast version](#) Forward Day by Day.

[A Morning at the Office - Morning Prayer](#), also sponsored by Forward Movement

[Weekly Eucharistic Scripture Readings](#) from The Lectionary Page

[Morning and Evening Prayer in English and Spanish](#) from Mission St. Clare

If you have other resources that you think will be of help to members of our community please email them to [Fr. Tim.](#)

Looking for Helpers / Looking for Help

Several of you have already reached out, volunteering to help those in need. If you are healthy and in a low risk category, and would like to be added to a volunteer list please email our [Church Administrator](#). We are working on creating a team of individuals who can help out as the need arises.

With all of the precautions and guidance coming from the Governor, CDC, and the Department of Health, we are aware that some members of our community may have difficulty getting access to basics like food, medication, and other necessities. If you find yourself in need, please contact our [Church Administrator](#) for assistance.
