Greetings!

Last Sunday, Kick-off Sunday, was such a joy for me!

It was a joy seeing many of you for the first time in weeks if not months. It was a joy hearing the sounds of our youngest members both in the sanctuary and in our halls. It was a joy having worship enhanced by the return of our choirs.

Even though we still are wearing our masks indoors—my great thanks to all of you who have been so respectful about this mitigation effort—last Sunday felt to me like another step in the direction of a return to the fullness of our corporate life.

Admittedly though, with the Delta variant so contagious, we are not done with having to manage COVID-related concerns. Nationally, medical experts continue to research questions regarding the safety of vaccines for the under-12 population, as well as the emerging question of a booster vaccine for those of us already vaccinated. (Even though their findings and recommendations occasionally change, I, for one, am grateful for their efforts in helping us all navigate these uncharted waters.)

Likewise, locally, as we yearn to resume beloved ministries and experiences, we must continue to reflect upon the wisdom of our practices and the ways we might mitigate risks. (I use the language of “mitigate risks” because there is no way to 100% guarantee that the COVID virus won’t make its way through our doors.)

Now, let me name something felt in my house, which perhaps captures a sentiment shared more widely: I am tired of this darn COVID! How about you? But truth be told, COVID does not care about our feelings of fatigue. It remains as committed as ever to spreading from one person to another. Which is why your leadership here at St. Luke’s and I remain as committed as ever to crafting thoughtful and reasonable protocols for our shared life.

Below, you will find a document which spells out not only the latest protocols but also a series of assumptions and expectations. I ask you to read them at your leisure—but please do read them.

Over the past year and a half, the national conversations regarding COVID have been framed in a variety of ways ranging from political to economic to scientific. I suppose there’s no denying that all of these perspectives have influenced policy and practices. But as I have said any number of times regarding any number of issues, I believe our calling as Christians requires that we also engage our challenges

through a lens of faith.

I hope you will read the following document through that lens and see in it your leadership's attempts remain faithful to that call.

Tim

COVID-19 PROTOCOLS - SEPTEMBER 2021

The following document is intended to provide an outline of our latest COVID-related protocols, as well as attending assumptions and expectations. While not exhaustive in terms of identifying all situations and questions, it should give you a sense of our general "playbook." These protocols are intended for any and all activities held on the St. Luke's campus, regardless whether church or rental activities. (This document will be shared with "outside renters" and the expectation is that they will be responsible for implantation and compliance.)

My great thanks, as always, for the contributions of our COVID Steering Committee, whose expertise, wisdom and considerations continue to guide us.

If you have additional questions, please feel free to email me at trich@stlukeseg.org.

General COVID Protocols Intended to Mitigate Risk of Transmission

1. No one should enter the buildings or attend St. Luke's events if experiencing any of the symptoms related to COVID.
2. All definitions and requirements regarding "close contacts" according to the RI Department of Health should be followed. (Note: See definition and requirements of "close contact" below.)
3. For all church-related meetings, rehearsals, classes, and worship held indoors it is expected that masks will be worn regardless of vaccination status.
4. If meetings, rehearsals, classes, and worship take place outdoors, masks remain required for unvaccinated and are optional for vaccinated.
5. Every attempt to maximize ventilation and air quality will be made for classes, rehearsals, meetings, and worship.
6. When possible, classes and rehearsals will take advantage of outdoor spaces.
7. Contact Tracing Records will be kept for two weeks for all St. Luke's activities. Those committee and ministry leaders running meetings should make note of attendance and within 24 hours provide the office with such information.
8. If an individual has attended a St. Luke activity and tests positive for COVID within 48 hours of attendance, then she/he must inform either Christina, Tim, Tanya, Rodney, or Theresa.

Additional Program-specific Protocols

Youth Faith Formation and Nursery

1. Godly Play Advance sign-up is requested (but not required) for attendance. Sign-up is available at our website. Consistent with our general policy, all students will be required to wear masks while indoors. For the foreseeable future, both the 9:30 and 10:10 classes will meet in the upper auditorium to maximize social distancing. Whenever possible, after the storytelling component, the

class will move outside for reflection time and snacks (prepared for each individual child). Classes will be limited to no more than 12 children.

2. All other classes will be held either in our largest available indoor spaces or outside.

3. The nursery will be open for children under the age of 3. Again, advance sign-up is requested (but not required) for attendance. Sign-up is available at our website. There is a limit of no more than 6 households to be represented in the nursery. Snacks will be offered in cups and distributed by the nursery attendants only. Play-things will be closely monitored and not shared between children. They will be cleaned between each session. Masks will not be required for nursery-age children. Masks and vaccinations will be required for all nursery attendants, both paid and volunteer.

Choirs

1. Choir rehearsals for youth will be outside when possible and reasonable, and, when inside, in a socially distanced space.

2. When rehearsals for any of the choirs are inside, masks will be required regardless of vaccination status.

3. For any of the choirs, when rehearsals are outside, masks are optional for vaccinated individuals and required for unvaccinated persons.

4. During worship all choirs will be expected to wear masks.

Important Definitions, Expectations, and Understanding

1. Close contact is defined as anyone who is within 6 feet of an infected person for a cumulative 15 minutes over a 24 hour period (regardless of vaccination status or masking).

2. It is expected by the Department of Health that if one is designated a “close contact” and vaccinated, then she/he need not quarantine but should take a PCR test immediately and 5 days after contact.

3. It is expected by the Department of Health that if one is designated a “close contact” and unvaccinated, then she/he is to quarantine for 7 days, get a PCR test at day 5, and remain in quarantine until day 8, at which time, if without symptoms, she/he may return to church-related activities.

4. It is our pledge that we will do all that we can at St. Luke’s to mitigate risks and provide households with thorough, clear, and timely information.

5. It is our expectation that should an adult or youth test positive for COVID within 48 hours of attending an event at St. Luke’s, the office will be notified immediately. The office will then share this information with those who have been “close contacts” (without disclosing the name of the “positive” person)

6. It is our expectation that each household will honor these protocols as a minimum mitigation and management standard, and then make whatever additional decisions seem best for each individual member.

7. These protocols are based upon the following critical understandings:

A. Vaccinations are highly effective at preventing [serious illness requiring hospitalization](#).

B. Unvaccinated children (12 and under) without additional health concerns are less likely to experience serious illness requiring hospitalization than adult counterparts.

C. Nursery aged children are less likely to spread the virus amongst one another than adult and teen counterparts.

D. Masks (especially those such as a KN95 variety) help mitigate the risk of transmission.

Adult Faith Formation

Adult Faith Formation

Adult Faith Formation has resumed on Wednesdays at 7pm via Zoom.

Our book for this season is *The Universal Christ: How a Forgotten Reality can Change Everything we See, Hope for, and Believe* by Richard Rohr. Rohr reminds us that we believe that "one God created all things", and he invites us to "reopen [the] ancient door of faith with a key, and that key is the proper understanding of a word that many of us use often...That word is *Christ*." Please join us as we explore our faith in Christ more deeply.

Please read Chapter 2 in preparation for our second class.

Corporate Communion

Children understand the symbolism and significance of the Eucharist in ways that are often surprising and delightful. It is no wonder that Jesus said, "Let the little children come to me!" Since the 1979 *Prayerbook*, our church has lived into the theology that Baptism is full initiation into the Body of Christ, moving away from the idea that Confirmation and "understanding" are the benchmarks for participation in the Eucharist. The book we use is an *instruction not preparation* book. It offers age-appropriate theology, liturgy, and tradition to children.

The Corporate Communion program at St. Luke's is offered each Spring. It is generally for children in the 3 or 4 grade. It is a 6 week class that takes place on Sunday's, from 9:30-10:10. CC culminates with a celebration on the last Sunday at the 10:15 service. The instructor, Erica Simo has taught the program for many years. She is kind, insightful and faithful. The children are given an instruction book called *This Bread and This Cup*, a personal journal and a beautiful gift is presented to them on the last Sunday of the program.

Our children are not the future of the church, they are the church of today. If you are interested in signing up for this program for the Spring of 2022, please feel free to reach out to me. I would be happy to answer any questions you may have and add your child's name to the class list.

Blessings,
Theresa Deiters Muscat

If you would like to reconnect with church friends or meet some new ones, we would love to have you join us for the September TOT meeting, as we kickoff our 2021-22 year. TOT is a casual group of St. Luke's men, who enjoy meeting monthly for occasional service projects, guided discussion and mostly good conversation and fellowship. Everyone is welcome and we all leave feeling enriched.

We will be meeting on Thursday, September 23, from 9 am-Noon for indoor and outdoor work. Individual snacks will be provided at a short break time. Please bring your own drink. Masks recommended for those who are not vaccinated.

All are welcome to come regardless of experience. We would love to see some new faces! Indoor tasks can range from simple cleaning to re-gluing baseboard protectors. Outdoors we will be mostly weeding, watering, and preparing a few new beds for planting.

If you are not able to come in the morning, perhaps you would like to be part of a watering crew to come and water once a month.

Questions can be addressed to Jack Newton (jncn10954@verizon.net) or Cindi Lovejoy (benem@cox.net) for outdoor tasks; Bob Brockway (rwbrockway@verizon.net) for inside tasks.

Women of Grace

Women of Grace – Ready for Fall!

The WoG planning group has come up with an amazing set of topics to start off our new year of gatherings! Meetings will take place in person on the first Monday of each month. Each meeting

runs from 7pm to 9pm including some social time, a topical discussion, and spiritual reflection or prayer. Topics for this fall include:

October 4 - Poetry Revisited: Jen Cormier will share a composite of our offerings from last December for a Women of Grace poem. We will not only enjoy the creation that Jen has produced, but will reflect on what has happened in our lives and through WoG in the past year.

November 1 - Prayer Practices: Mother Tanya will guide us in an Examen, a practice developed more than 400 years ago by St. Ignatius Loyola to encourage prayer-filled mindfulness. Mtr. Tanya will also share a variety of different, creative, reflective prayer practices and resources that we might incorporate into our own or our families lives.

December 6 - Housing and Our Neighbors: Susan Aitcheson, head of the East Greenwich Affordable Housing Commission, will discuss new affordable housing opportunities in the East Greenwich area. How might churches come together to welcome and support our new neighbors? Perhaps an ecumenical effort can be produced through our discussion.

After the new year, we have at least three additional topics in the works:

- Iona - The Early Christian Story - an evening of Celtic worship and exploration
- Being Easter People - discussion of Anne Lamott's *Dusk, Dawn, Light*
- Book Exchange! - bring books to share with each other and the community

While we currently plan to meet in-person over the next several months, we will resort to Zoom sessions and/or hybrid in-person Zoom attendance in accordance with ongoing safety/health concerns and the nature of a given topic or presentation. Details for each meeting will be sent to the WoG email list a week to 10 days prior to each meeting. If you are interested in participating in Women of Grace, please send your email information to Deborah Collins at collinstn01@gmail.com. See you soon!

Coffee Hour

Coffee Hour Volunteers

People don't come to coffee hour just for a cup of joe; they want a human connection, something we all have missed during the pandemic! Here's a place where we build community one cup at a time.

We need your help! Father Tim would like to resume Coffee Hour. For now, we are only offering coffee and juice- no food.

As usual, our sexton, Tim, will set up the coffee urn in the morning. The Coffee Hour host simply needs to set up the coffee "station" with cups, sugars, creamer and napkins. These supplies (except the creamer) are all kept in the armoire in the Blackburn Room. There will be a table set up in the narthex near the stairs where you can set up a juice "station" with small juice cups and napkins. Tablecloths can be found in the armoire also.

So, the host would bring half and half as well as some type of juice. Everything else is provided. After the 10:15am service's coffee hour, the urns would need to be cleaned out and stored in the Blackburn Room and you would need to ensure that coffee grounds go in the trash.

Please consider signing up for an upcoming Sunday so we can properly extend our hospitality and reconnect. Christina put the sign-up sheet on the wall across from the office. You can sign up at church or call Christina in the office at 401-884-4116 and she'll add you to the list.

We look forward to seeing you all soon,

Tracy

Loaves and Fishes

Loaves and Fishes

We'd like to thank everyone who donated supplies and food to this month's Loaves and Fishes run to the Family Shelter in Woonsocket. The meals, backpacks with school supplies, underwear, and other supplies were very much appreciated by the shelter. It felt great to help the people there who are in such desperate need. Keep your eye out for plans for our next run on September 25th. The shelter staff identified a need in the future for bath towels, facecloths, and used DVD players. We couldn't continue this mission without your support."

St. Luke's Choirs

St. Luke's Choirs Sing for You!

As a special gift from the Canterbury, St. Cecilia, and Angel Choirs to our St. Luke's family and friends, choir members compiled a special 'arrangement' of "How Can I Keep From Singing". The

music is from an American folk song originally composed by Baptist minister Robert Wadworth Lowry in 1868 with the four-part arrangement published by Jeffrey Honoré in 1991. The choirs performed this piece at their 2019 Spring Concert and happily recreated that performance in this video (also available on St. Luke's website and Facebook page).
