St. Luke's Choristers in England ~

On August 5, St. Cecilia choristers Tori Cormier, Ryan Scarber, Shawn Scarber, and I joined with the choirs of Grace Church, Providence, for a 10-day choral trip to England. 51 people boarded a bus in Providence and headed to Logan airport on Saturday afternoon. Included were 35 singers (ages 10 to 75), 2 music staff, 4 chaperones, 1 priest, and 9 parent/family "groupies" who were along for the ride! These groupies included our own Christine and Jason Scarber who were immensely helpful in aiding the trip chaperones. We safely made it to London's busy Heathrow airport on Sunday morning around 9 am, and boarded another bus which took us to Salisbury, about 90 miles south of London. This was to be our home for the next week. The choir had the inimitable experience of living on the cathedral grounds (Salisbury Cathedral School) and singing daily services in the glorious Gothic cathedral, which is just over 800 years old. We garnered high praise from locals and cathedral officials alike for our singing, and truly felt that we were living the life of a cathedral chorister. The daily rhythm of Evensong, with its prayers and music, lodged itself happily in our hearts and gave each day a shape and point. It would be an understatement to say what a profound time we had, both spiritually and musically, singing each day in that ancient and sacred space...truly a "thin place" experience. The choristers (children and youth) had the opportunity to do some sightseeing as well, including a trip to Stonehenge, and a day at the beach in Weymouth, on the south coast. We were treated to a tour of Salisbury Cathedral, and many of us enjoyed a tower tour, climbing nearly 200 feet for unparalleled views of the countryside. A special treat was having Dr. Barry Rose as our guest conductor for Evensong on Friday. Dr. Rose, formerly Master of the Choir at St. Paul's, London, led our choir festival in Providence this past February, and our St. Luke's choristers were delighted to see him again (Dr. Rose will be back in RI to lead our chorister festival in February 2024).

On Saturday it was on to London, where the choristers checked into the Celtic Hotel on Russell Square. It was a beautiful day, so we walked to Westminster Abbey and attended Evensong, which was sung by the choir of St. John the Divine in New York City. Following Evensong, we walked through St. James Park, and by Buckingham Palace. Sunday was a busy day, as we left our hotel early for Southwark Cathedral on the south side of the Thames. Southwark is a busy and wonderful place, a vibrant congregation set in an ancient cathedral. Again, our singers were in top form, singing both the morning Eucharist and afternoon Evensong. Monday was our final day and given over to sightseeing in London. We took in the London Eye, a colorful merry-go-round, lunch near the Thames, and the Tower of London.

We were quite fortunate with our travel and had an on-time departure and landing as we left Heathrow for Logan on Tuesday. Everyone was weary but in the best way. Our St. Luke's choristers were fantastic musical additions to the choir, and they formed lasting friendships with the Grace choristers. They are all talking about when

we'll be together again (which will be in November for Evensong!). These trips are life-changing in the very best of ways, and Tori, Ryan, Shawn, Christine, Jay, and I will cherish the memories of this trip always.

Now we eagerly look forward to the beginning of our own choir season here at St. Luke's after Labor Day. Please be in touch with me if you and/or your children are interested in joining one of our wonderful choirs! "Come, let us sing to the Lord" – *Psalm 95:1*.

Net Income	(\$6,616)	(\$55,924)	\$49,308	(\$10,577)	\$3,961

Notes:

Income

- Total Income is \$16,832 over budget – most of the overage can be found in the personal pledge category. We are seeing an overall trend of families being current on their pledges, while others are paying in full early. The former trend is likely due to 63% of the payments using some form of online giving, while the latter trend is the increase in IRA QCD (Qualified Charitable Distribution). The number of families taking advantage of that has more than tripled!

Expenses

- Expenses are under budget by \$32,477. Much of that is the unfilled position for youth and family ministry (Now filled, welcome Amy!) and the pending project work (new flooring in the 1st floor hallways and new windows in the choir room).

Other thoughts

- We have been blessed with some outstanding staff members here at St. Luke's, and I know we appreciate all of them. A few years back, we made a commitment to fully staff the Parish. We agreed that we need two full time clergy, a full time Parish Administrator, a Minister of Music, a youth and family minister and a full time sexton. What would that mean in dollars? A full time clergy, thru the end of July, would have incurred \$54,174 in expenses. If you back out what we paid Jonathan (assuming we wouldn't have both), it's an additional \$38,864. A full time sexton would have cost \$30,082 thru July 31. If you back out what we've paid in sexton expenses, it would be an additional \$22,149. And had Amy been employed the full year, it would represent an additional \$10,743, for a total net cost of \$71,756. To do that thru pledging alone, it would mean an additional 21% or so. The past several years have been relatively flat in terms of pledge income:

Year	Pledge
2016	\$ 497,457
2017	\$ 496,221
2018	\$ 471,406
2019	\$ 458,863
2020	\$ 419,726
2021	\$ 458,111
2022	\$ 466,186
2023	\$ 470,000

As you know, the leadership team is actively working on alternative ways to raise income, and our endowment should see a significant increase if the Tiffany window is sold. But the core support belongs to us. I feel this congregation has always supported the Parish, and I am truly humbled at times in viewing this generosity first hand. So I will leave it here for your consideration.

Peace and Grace,
Mike

Acolyte Ministry

Acolyte Ministry

Hello St. Luke's,

I am writing today in an attempt to rebuild and revitalize the Acolyte ministry. This is a rewarding ministry for not only our youth, but now also adults. Traditionally we have filled it with youth starting at grade 5 and going through grade 12. In the not too distant past, we had over 20 acolytes serving in St. Luke's ministry, but our numbers have dwindled. As many of you know, my 4 daughters have served as acolytes and they will tell you they have many fond memories of this ministry.

Acolytes are a vital part of our worship ceremony, starting with ushering in the service and leading the procession out at the conclusion. It is a fun and behind the scenes ministry which engages you more in the service. It still brings a smile to my face every time I see an acolyte hold that cross up proudly and process down the aisle.

Perfection is not required. We will train you and you will get cues from Father Tim and others if needed. This ministry not only involves you in the service, but also looks great on applications to college and honor societies.

For adults interested, we can also train you.

A special thank you to the few acolytes we have that do an outstanding job every Sunday and serve many services.

God Bless,
Charlie and Julie Cronin

Won't you consider joining us?

Lunch on the Hill

Welcome Back – "Lunch On The Hill"

Matthew 25:35

I was hungry and you gave me food,

I was thirsty and you gave me drink,

I was a stranger and you welcomed me.....

Prior to shut down due to Covid, Saint Luke's "Lunch on the Hill" offered lunches every Wednesday to our surrounding community with a focus on the clients of the Food Pantry. **"Lunch On The Hill" has resumed lunches on the 2nd and 4th Wednesday every month.**

You may recall that in the past lunches had been provided by local restaurants with sides being provided by the host Church. Due to the current economy and shortage of labor, we will be moving ahead with a combination of lunches provided by a restaurant and lunches prepared in Saint Luke's Community Kitchen.

Saint Luke's/ EG Food Pantry will provide lunch on the 2nd Wednesday. Saint Luke's will prepare Sandwiches, sides, salads, desert etc. The EG food Pantry will assist in providing food to prepare.

Our Lady of Mercy (OLM)/ Wild Harvest will provide lunch on the 4th Wednesday. Wild Harvest will provide sandwiches and soup or a side. OLM will provide additional sides, salad, desert etc.

We are excited about resuming our outreach to our community and support to our neighbors.

Saint Luke's Here's how you can help:

Volunteers (3 or 4) from 9:30 to 12:30 needed to assist in preparation and serving of lunch on the 2nd Wednesday of the month.

Donations of deserts, baked goods, fruit by 10:00 am on the second Wednesday of the month.

For more information on how you can be part of this outreach ministry you can contact:

Food for Backpacks!

Our Food for Backpacks ministry is delivering to East Greenwich food insecure families. The appreciation and gratitude was deeply felt by both the receiving and the giving. For many of the families weekends are especially difficult as school breakfasts and lunches are not provided. Our first team of volunteers all expressed it was a moving experience, were grateful to participate, and are excited to continue the service. If you are already on the volunteer list, we will be contacting you as we developed a rotating schedule. If you're not on the list and would like to know more about it or would like to join with us, please contact:

Undie Sundays!

As things start to improve around the state, the community we serve is in need of certain items, so

we will be reinstating “UNDIE SUNDAYS”. On the first Sunday of every month we are calling on your generosity to provide us with **new underwear** and **summer socks** for men and women. You can leave these items in the church atrium where a basket will be provided in front of the office. Thank you!

School Supplies needed for Adult ESL Students

During the month of August, we will be collecting school supplies for the men and women in ESL classes. Most of them arrive in RI unable to speak or write English, so these classes are key to getting jobs and becoming self-sufficient.

In the atrium, there will be a basket with plastic bags and a list of supplies attached. Purchase the supplies and return the filled bag to the basket. Easy!

We are looking to fill 30 bags, but whatever we collect will be used.

Photos Wanted!

Do you have photos of St Luke's church or at any events that we have hosted? As we work to increase our digital footprint, we would love the opportunity to share photos from our parishioners on our social media and communication channels. Coffee Hour

Coffee Hour is Back!

We are pleased to announce that Coffee Hour is back! As Covid restrictions are being lifted somewhat, we feel it's the right time to bring back Coffee Hour.

We need your help! There is a quarterly sign-up sheet posted across from the office under our beautiful mosaic. Both services have spots to sign up to host a Sunday. We will continue to host in the atrium until our kitchen is ready. Our sexton makes the urn of coffee in the morning. The host provides juice, creamer for the coffee (although powdered coffee creamer is available in a pinch), and some baked goods of some sort. All supplies like cups, napkins, sugar, utensils are all located in the cupboard in the Blackburn Room. There are a few platters you can use to put goodies on. A table is set up in the atrium with a tablecloth on it. Afterwards, we ask that the coffee urn be washed out and set out to dry in the sink area of the Blackburn Room.

You can host with a friend, you can host with your kids, you can host solo - it's a wonderful way to be part of our St. Luke's hospitality – welcoming new faces and encouraging us all to reconnect in person after so many months of being apart. Jesus equated our love for each other and our neighbors with our love for Him. "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me." (Matthew 25:40)

Thank you for your help making St. Luke's a loving and welcoming space!

St. Luke's Choirs

St. Luke's Choirs Sing for You!

As a special gift from the Canterbury, St. Cecilia, and Angel Choirs to our St. Luke's family and friends, choir members compiled a special 'arrangement' of "How Can I Keep From Singing". The music is from an American folk song originally composed by Baptist minister Robert Wadworth Lowry in 1868 with the four-part arrangement published by Jeffrey Honoré in 1991. The choirs performed this piece at their 2019 Spring Concert and happily recreated that performance in this video (also available on St. Luke's website and Facebook page).

Big Brothers and Big Sisters
