Dear Brothers and Sisters,

Please join us this Sunday at 4 pm for St. Luke's annual spring concert featuring the St. Cecilia, Canterbury, and Angel Choirs plus the Amigos, all joining forces to provide a treat for the whole community. The program will include a wide variety of music, ranging from pieces written in the 1500s to a world premiere of a piece just written in March of this year.

This new work, *What a beautiful creation*, is composed (words and music) by our own parishioner, Emmy Award winner, Roger Cichy. Dedicated with thanks to God for Fr. Tim's ministry at St. Luke's, this gorgeous anthem conveys our experience of life by the sea through the senses of touch, sight, hearing, taste, and smell. The use of an ocean drum adds a special evocative feel to the choral and piano score.

Come bask in this afternoon of music by Jacob Handl, J.S. Bach, James Taylor, Aaron Copland and many others, and enjoy Roger's wonderful anthem performed for the first time ever. Please help spread the word and invite others. Hope to see you Sunday at 4pm!

Peace,
Rodney

A Note From Theresa Deiters Muscat

A Note From Theresa Deiters Muscat

They say it’s easy to write what you know for sure.

So, this is what I know for sure...

I have worked at St Luke's Episcopal Church for nine years. During his time, I have brought the Godly Play ministry to the children of this church, overseen the Rite-13 Celebration and coordinated the Corporate Communion experience for many families. It has been my pleasure to work with all the story tellers and greeters that make up the Godly Play family.

Godly Play is good for kids. Godly Play is an imaginative approach to working with children, an approach that supports, and challenges, nourishes and guides their spiritual journey.

Godly Play storytellers assume that children have experience with the mystery of the presence of God in their lives, they just sometimes lack the language, permission, and understanding to express and enjoy that in our culture. In Godly Play, we enter into parables, silence, sacred stories and sacred liturgy in order to discover God, ourselves, one another and the world around us. The children are left to wonder about all of it. They are not told what to think, only to wonder.

The Godly Playroom is a very special place that was designed especially for children. The furniture is low to the ground and all the stories and art supplies are easily accessible for them to explore.

At St. Luke's we have a dynamic, nurturing, and wise team of 10 storytellers and greeters who work with your children each Sunday. The storytellers learn each story by heart and then they tell them to the children each and every week. They know your children by name, and they know what their interests are. The greeters have learned to calculate the moods of the children and they prepare them to enter the circle with an open heart and mind.

This team of Godly Play volunteers has become a family. They care about and support one another. It has been my privilege to watch this develop over the years.

They are wives, mothers and fathers, businesswomen and men, teachers, lawyers, nurses...and they still find the energy and love to give faithfully of their time and talent to the children of St. Luke's.

They are in no order; Aileen Sprague, Erica Simo, Lisa Rivard, Holly O'Brien, Kate Golbitz, Corie Jacaruso, Mary Semeraro, Martha Baker and Jacob Trombino.

If you are interested in learning more about the Godly Play program, check out the Godly Play channel on YouTube.

"Never doubt that a small group of thoughtful, committed citizens can change the world: indeed, it's the only thing that even has." Margaret Mead

2024 GloriDays

Did you know that this past January, Amy Weigand celebrated 5 years breast cancer-free? To celebrate this important milestone, she will be walking in GloriDays June 21-23, a 44-mile walk in Exeter, RI, to raise money for the Gloria Gemma Breast Cancer Resource Foundation. Gloria Gemma was a crucial part of her recovery through surgery, chemo, radiation, and today! They have provided classes, meals for her family, and emotional encouragement every step of the way. By raising funds, she will pass along similar support for other Rhode Island families dealing with a breast cancer diagnosis. If you would like to donate to help fund her walk, please follow this

Loaves and Fishes

Loaves And Fishes

The May run was on another rainy day at St Luke's but no rain in Woonsocket. The Spirit watches out for us! We were greeted by approximately 70 people with a few more coming during our visit. The need is still strong.

For June we will maintain the bag count at 120 with 20 bags going to the Hotel in East Greenwich. With the warmer weather we are now asking for summer tee shirts as shown in the SignUp Genius.

Food offerings will be cheeseburgers, hot dogs, peanut butter and jelly sandwiches, and the regular other items included in the bag are shown in the SignUp Genius. **It is appreciated if all donations can be in the St Luke's kitchen by 10:00 AM on June 15, 2024.**

[Click Here](#) to sign up!

In signing up, there is no expectation that one person needs to fulfill the total amount of a particular item. When using the SignUp Genius, **please indicate how many of an item you will be donating**.

If you are not receiving the SignUp Genius in your e-mail and would like to do so, please send an e-mail to: saintslukesfeedingministry@gmail.com

Your generosity is most appreciated. It allows St Luke's to continue helping those in need.

Thank you.

Food for Backpacks!

The Food for Backpacks mission would like to thank its many volunteers this past year. With their dedication and overwhelming generosity we have been able to provide enough food for 5 meals for 17-20 families each month. The East Greenwich School Department greatly appreciated the incredible efforts of our enthusiastic team of 14 volunteers.

Astonishingly we provided over 3,000 meals during this school year! This averaged \$5 per person per meal, totaling over \$15,000 in food donations. Food in-secure families with children in our school system were guaranteed 1 weekend each month when they were generously fed by the support of our amazing team.

We are looking forward to restarting The Food for Backpack Program at the beginning of the new school year in September. Please consider joining us and becoming part of this passionate mission.

Undie Sundays!

As things start to improve around the state, the community we serve is in need of certain items, so we will be reinstating “UNDIE SUNDAYS”. On the first Sunday of every month we are calling on your generosity to provide us with **New Underwear** for men and women.

We are also in need of **T-Shirts, Sweatshirts and Hoodies**. You can leave these items in the church atrium where a basket will be provided in front of the office. Thank you!

As we pray for an end to violence and for those fleeing Ukraine, please also pray for Episcopal Relief & Development and other ecumenical agencies working to respond to the current crisis. Do you have photos of St Luke's church or at any events that we have hosted? As we work to increase our digital footprint, we would love the opportunity to share photos from our parishioners on our social media and communication channels. Coffee Hour

Coffee Hour is Back!

We are pleased to announce that Coffee Hour is back! As Covid restrictions are being lifted somewhat, we feel it's the right time to bring back Coffee Hour.

We need your help! There is a quarterly sign-up sheet posted across from the office under our beautiful mosaic. Both services have spots to sign up to host a Sunday. We will continue to host in the atrium until our kitchen is ready. Our sexton makes the urn of coffee in the morning. The host

provides juice, creamer for the coffee (although powdered coffee creamer is available in a pinch), and some baked goods of some sort. All supplies like cups, napkins, sugar, utensils are all located in the cupboard in the Blackburn Room. There are a few platters you can use to put goodies on. A table is set up in the atrium with a tablecloth on it. Afterwards, we ask that the coffee urn be washed out and set out to dry in the sink area of the Blackburn Room.

You can host with a friend, you can host with your kids, you can host solo - it's a wonderful way to be part of our St. Luke's hospitality – welcoming new faces and encouraging us all to reconnect in person after so many months of being apart. Jesus equated our love for each other and our neighbors with our love for Him. “Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.” (Matthew 25:40)

Thank you for your help making St. Luke's a loving and welcoming space!

It is even more difficult when we feel like we need to figure it out all on our own!

St. Luke's Choirs

St. Luke's Choirs Sing for You!

As a special gift from the Canterbury, St. Cecilia, and Angel Choirs to our St. Luke's family and friends, choir members compiled a special 'arrangement' of "How Can I Keep From Singing". The music is from an American folk song originally composed by Baptist minister Robert Wadworth Lowry in 1868 with the four-part arrangement published by Jeffrey Honoré in 1991. The choirs performed this piece at their 2019 Spring Concert and happily recreated that performance in this video (also available on St. Luke's website and Facebook page).
