Dear Friends,

It is hard to believe that six weeks have passed since Diane and I said our farewells. It feels like so much longer ago - perhaps because so much has happened in that short span of time.

I write with a promised update. Let me first say, Diane and I remain ever so grateful for the generosity of heart (and material) you showed us as we departed. I suppose, given how kind we know you all to be, we shouldn't have been surprised. And yet, the leave-taking was so love-filled that we continue to be buoyed by your spirits.

When September Comes

August is upon us! Time to get organized for September and the start of the program year at St. Luke's. Here are some key details to help you prepare and participate.

Kick-Off Sunday will be September 8 - Following the 10 am service we will have a special Coffee Connections in the Parish Auditorium and a Ministry Fair for Liturgical Ministries and Children & Youth Formation. We encourage all Liturgical Ministries - Choirs, Altar Guild, Acolytes, LEMS, Readers, Ushers, Newcomers, etc. to prepare a recruiting table.

On Sunday, September 15 - Following the 10 am service we will have a second Coffee Connections in the Parish Auditorium and a Ministry Fair for every other non-liturgical ministry that wants to recruit - Adult Faith Formation, Feeding Ministries, Morning Prayer, Bible Study, Dorcas, Women of Grace, Properties, Gardens, Office Volunteers, etc.

Be sure to bring some attractive snacks for your tables to attract a crowd, wear name tags, and always stand in front of your table to connect with people actively. BYO Signup sheets and attractive materials to explain your ministry and the level of commitment required.

Following these ministry engagement activities, we will send out a Time and Talent survey to the whole parish to make sure no one is missed! Data from this survey will be shared with ministry leaders to follow-up.

Save the Date for Transition Activities this Fall - Your presence is crucial.

On October 27 and December 8, we will have parish meetings after worship as part of the transition process. At our July meeting, the Vestry decided to have ONE SERVICE at 9 am on these days to worship as a unified congregation and to encourage turnout for these very important opportunities for reflection. This is your chance to have a voice, share your experiences of St. Luke's, listen to others, and work together with other members to shape the Parish Profile that will attract your next Rector.

Childcare and activities for younger children will be provided. Middle School and High School students are encouraged to attend. We urge all leaders throughout the parish to encourage your friends and family to attend.

October 27 will be the History Timeline exercise where we collectively reflect on the history of St. Lukes looking for strengths, weaknesses and patterns across time. What do we want to continue? What do we want to leave behind? How are we being called by God to adapt, grow and thrive in our particular gifts?

On December 8, the Congregational Conversation will have all parishioners working together to answer a series of 12 questions that describe the church and the Rector the church wants to find. All data collected at both the History and Congregational Conversation events will be incorporated into the Parish Profile by the Parish Profile Committee to be used to search for the new rector.

We are blessed to have the leadership of the Rev. Canon Dena Cleaver-Bartholomew, Canon to the Ordinary of the Diocese of Rhode Island, to lead both sessions.

If you have any questions or concerns, please don't hesitate to contact the Wardens or the Interim Rector.

We invite you to visit St. Luke's website for periodic updates of the Rector search and transition process. You can scan the QR code to view the latest. As always, please feel free to reach out to the Wardens and Vestry members as you have questions or want to discuss further.

Theology on Tap - Save the Date - Men's Retreat October 22-24, 2024

We are sponsoring an inclusive, intimate gathering, on October 22-24 (Tuesday – Thursday) for all St. Luke's Men who can attend. We envision three days of time together in an outdoor retreat setting where we'll work and eat together, while enjoying comfortable accommodations (our own beds, toilets, and space for group and private discussions). Our agenda will include a variety of optional outdoor activities, service work, guided group discussions, and time for conversation and meditation.

With an outdoor backdrop, we want to form, foster and deepen lasting friendships while growing the trust we have with each other, examining how our faith influences and guides our lives.

The Rev. Dr. Jonathan Malone has agreed to be the facilitator for the retreat, and we hope Fr. Jarratt will be able to join us as well.

Our goal for the retreat is consistent with our TOT Mission of building community within St. Luke's.

Mark your calendars for this event and save the date! Details on the logistics, venue, and cost will be coming in the next few weeks. Any questions call, ping or email Brent Bostick (908)230-7569 brentbostick1@gmail.com

Lunch on the Hill

St. Luke's will host again on Wednesday, August 14 at 11:15 am. Volunteers should plan to arrive by 9:45, to allow enough time to get organized and prepare lunch for our guests.

This month's tentative menu will include Hamburgers, Hot Dogs, Coleslaw, Baked Beans, Potato Chips, Dessert (Brownies/Cookies, Cupcakes), and Beverages (Iced tea, Coffee/cream). Fresh fruit (oranges, bananas, etc.) is always a welcome addition if you would like to bring some. For more information on how you can be part of this outreach ministry, contact Steve McLoughlin: smcloughlin2@aol.com or (401) 225-5540.

Main Street Stroll - Taste of East Greenwich

Join us Thursday, August 15th from 5:00 – 8:00 pm at Walsh & Associates: 294 Main Street for the Main Street Stroll. It's a great time for food and fellowship while sharing all the great things about our St. Luke's community!

Loaves and Fishes

Once again, we were met by approximately 60 people with more showing up throughout our stay. They are most appreciative of the food, especially the clothing we bring including T-shirts, socks, and underwear.

For August we will maintain the bag count at 120 with 20 bags going to the Hotel in East Greenwich. With the warmer weather, we are asking for summer T-shirts as shown in SignUp Genius.

Our food offerings will be cheeseburgers, hot dogs, peanut butter and jelly sandwiches, and the regular other items we usually include in the bag. All options are shown in SignUp Genius. We appreciate if all donations are in the St Luke's kitchen by 10:00 am on August 17, 2024. [HERE](#) is the link.

In signing up, there is no expectation that one person needs to fulfill the total amount of a particular item, but please indicate how many of each item you will be donating.

If you are not receiving the SignUp Genius in your e-mail and would like to do so, please email saintslukesfeedingministry@gmail.com.

Your generosity is most appreciated. It allows St Luke's to continue helping those in need. Thank you.

Reducing Water Usage

Reducing water use cuts the energy required to process and deliver it to homes, business, farms, and communities, which in turn helps to reduce pollution and conserve fuel resources and helps save the planet and your water bill.

To help children understand how easy it is to waste water, put the plug in the sink to show them just how much water fills up when you leave the tap running – a simple yet effective visual reminder to help them (and us!) understand the importance of water conservation.

Reducing Paper Usage

As part of our ongoing commitment to environmental stewardship and to help St. Luke's reduce paper usage and printing costs; we are implementing ways to streamline our weekly bulletin announcements. This initiative aligns with our responsibility to care for God's Creation.

Our ministry leaders have been asked to condense the text of their announcements and reduce the frequency of when they are published. Thank you for understanding. If you have any questions, please email the Interim Rector.

Fr. Tim's Letter Continued...

Second, let me admit to still following you all on Instagram and TikTok. (I don't think heart emojis violate any of the important boundaries we all need to honor.) But I tell you this to say, I could not be more delighted to see the ministry you now share with Fr Jarrett. If I lived in RI, I would want him to be my priest! I suspect you are feeling similarly moved by his presence.

Finally, and blessedly, I have news to share regarding my future ministry. This past Monday it was announced that the Bishop has appointed me Priest-In-Charge at All Saints' Church in Pasadena. This call developed quite quickly, over the span of two weeks, and I begin Monday. It is a wonderful parish, warm in community, with a long history of outreach and activism.

My friends, as the discernment process unfolded, I thought of you all often. And as I begin my tenure there, I do so shaped and informed by St. Luke's and all that we shared.

Please know you remain in my prayers as well as in my heart.

Summer blessings,
Tim
